Registration fee

The registration fee is DM 270 for members of DGOR, GMÖOR, ÖGOR, SVOR, DMV, and DM 320 otherwise. A reduced rate of DM 100 applies for participants from weak currency countries, students and unemployed.

If you want to register during the conference, or if you have not transferred the registration fee to the conference bank account, you will have to pay the exact amount in the conference office in German currency.

Conference Languages

The conference languages are English and German.

Information for speakers

All lecture rooms are equipped with a blackboard and an overhead projector. A member of the organizing staff will be present close to every lecture room to assist you with technical problems.

Thirty minutes are assigned for each contributed presentation (including discussion). In order to allow participants to change lecture rooms, the time schedule must be strictly observed.

Refreshments

During the conference, free coffee, tea and soft drinks will be served during the breaks in the Hauptgebäude and the Mathematikgebäude.

Meals and snacks

Meals and snacks are served in the student mensa, a five minute walk from the lecture buildings. The mensa offers different choices of meals at reasonable prices. For those who prefer a restaurant, the conference material includes a list of nearby restaurants.

Proceedings Volume

DGOR and GMÖOR have a contract with the Springer-Verlag to publish a proceedings volume with contributed papers shortly after the conference. All speakers have been invited to submit a contribution of approximately 5, not more than 6 pages containing main results and literature references before **August 12, 1994** to the Editor

Prof. Dr. Dr. Ulrich Derigs
"OR-Proceedings 1994"
Lehrstuhl für Wirtschaftsinformatik
Universität zu Köln
Pohligstraße 1
D-50969 Köln

All submissions will be evaluated by the editorial board after the conference. Due to the strict page limit for the volume only a selected number of manuscripts out of each section can be published in the proceedings.

Every registered participant is entitled to one free copy of the proceedings volume. These will be mailed shortly after the conference. Please direct all questions about the proceedings volume to the Editor, Prof. Derigs.
